

# WEATHERFORD HIGH SCHOOL

Lynn Pool, Principal

Dear WHS Family,

Beginning August 26, 2013, in order to limit classroom interruptions, you will not be able to drop off food items, money, phones or monetary items for your student. Notes will no longer be sent for students to pick up these items or to meet with parents during classroom time. We are sorry for this inconvenience. You are welcome, however to text your student during passing period and give those items to the student yourself.

We are trying to guard instructional time and keep distractions to a minimum while also taking care of your students.

Thank you for your cooperation.

Lynn Pool  
WHS Principal
